

Laura M. Nugent

Laura M. Nugent joined Obsidian as a Project Analyst in September 2008. She primarily works on Obsidian's renewable energy development and financing. In addition, she assists on various projects relating to environmental remediation, bankruptcy financial advisory work, biorefinery development, distressed asset liquidation and real estate.

Ms. Nugent joined Obsidian after taking a year off to travel and volunteer in Africa, Ireland and Mexico and interning for Obsidian in the fall of 2007. She graduated from Stanford University with an M.A. in anthropological sciences, with a focus on natural resource and open space management. In addition, she received a B.S. in biological sciences from

Stanford University, focusing her undergraduate career on biochemistry and ecology research and outdoor environmental education.
